

## SENTECH FACILITY PERFORMANCE SPECIALISTS OFFER ASSISTANCE TO FEDERAL AGENCIES & FACILITIES TO ACHIEVE EO 13514 COMPLIANCE

SENTECH, Inc. assists Federal agencies with the planning and implementation of facility performance programs that promote advancement of each organization's respective mission, cost-saving energy practices, and compliance with Executive Order 13514 ([http://www.whitehouse.gov/assets/documents/2009fedleader\\_eo\\_rel.pdf](http://www.whitehouse.gov/assets/documents/2009fedleader_eo_rel.pdf)).

SENTECH has demonstrated leadership in providing facility performance consulting services to both government and private sector clients for more than 20 years. The cumulative knowledge and experience of the SENTECH staff relating to Executive Order 13514 compliance issues can assist Federal agencies in meeting environmental, energy, and economic performance goals.
